

# SPEAKERS & JUDGES

The U.S. Pet Pro Classic is honored to introduce you to our distinguished panel of Speakers and Judges for 2018.

## Chris Anthony

**SEMINARS:** Burnout, How To Spot This Career Killer, parts 1-2; Providing Excellent Customer Service Without Being A DoorMat!; Pardon Me, Do You Speak Customer? — **Platform:** Swivel Shears & How To Use Them

Chris Anthony, weary from her travails in retail management and office work, found her calling when she discovered pet grooming. Her fifteen plus year journey in this career has led her through many opportunities, experiences, and life lessons; including grooming and managing both small and corporate salons, and starting her own successful house call grooming business in New Jersey. Chris has always sought out continuing educating in all aspects of the pet grooming and styling profession with a passion for advanced education in scissor designs, scissoring techniques and ergonomics to help preserve her own health and longevity in her chosen profession.

## Cindi Baccus, CSMA, eMA

**SEMINARS:** Social Media Marketing Workshop, parts 1-3

Cindy Baccus' passion to help her clients learn the techniques necessary for a fun and exciting marketing plan is one of the reasons she is so popular among entrepreneurs. Cindy has developed innovative and affordable marketing ideas for many clients across multiple industries. These concepts have resulted in increased revenues without her clients breaking a sweat. Cindy is considered an expert in the field of social media and digital marketing and currently serves as an instructor at Collin College where she teaches social media marketing, word press, professional blogging and various topics on business. Whether it be instagram, linkedin, pinterest, twitter, facebook or google my business, Cindy knows how to connect into one easy platform that can be easily and effectively managed.

## Julie Berkeley, ISCC PDS, MPS, Meritus, Certifier

Shawn has owned and operated five professional pet styling businesses including stationary salons, self service operations and a Mobile business.

**Cameron Fang**  
**SEMINARS: Nano-Science for Pet Grooming**

In 2009, Cameron Fang, the founder of RELIQ PET, recognized a personal need for better pet care products that were safe, environmentally friendly, and most of all, effective! Through a lengthy, global search, he discovered a refined material element - originally intended for another use - that met the core needs he wanted for his

beloved Schnauzer, Rocky. With his formal education in biomedicine, Cameron was skilled in directing additional refinements and customizations which eventually led to the final product formulas, and thus RELIQ PET was born!

**Crystal Hammond**  
**SEMINARS: OnLine Marketing (Increasing Your Business Through Innovative Social Media Tools)**

Founder of "Sitter for Your Critter" in 2018, a dog walking and in-home overnight pet care company. Sitter for your Critter has grown to over 5,000 happy pet parents currently servicing New Hampshire, Maine and recently expanded into Massachusetts and has acquired other pet sitting companies as well. In addition, Crystal also founded the non-profit organization, "Helping People Helping Pets", after seeing several of her clients lose their furry family members due to veterinary bills or not being able to feed them during difficult financial times. The mission was to provide access to pet food and veterinary care to those who were at risk of losing their pets due to financial hardship while keeping the pets in their already loving homes. Since its inception "Helping People Helping Pets" has partnered with other organizations like Meals on Wheels and the Salvation Army and has delivered pet food to them on a monthly basis as well as to local shelters and rescue operations. Currently "HPPH" has delivered over three million pounds of pet food and has helped hundreds of pets in its community.

**Anna Hawks, ISCC PDS, MPS**  
**SEMINARS: Clipper Blade Workshop (What You Really Need to Know); Champagne Looks On A Beer Budget (The Basics of Handstripping); Styling The Scottish Terrier, part 1-2 (Breed Profile, Pattern Placement, Styling Techniques, Scottie Ears & Handling); To Blend or NOT to Blend, That Is The Question?
